

EUROTECHNIK.

Senior Technician

Join our award-winning European workshop. Relocate to Perth and join our growing company. Progression opportunities with quarterly incentives.

Type: Full-Time

Location: Fremantle, Western Australia

- Further your career and gain inhouse and external technical training – including qualifications in electric vehicle training
- Earn a competitive salary with quarterly bonuses incentives
- Opportunity to progress into leadership positions as the company continues to grow
- Interstate or looking to move to Perth? Open to both interstate and international applications with a negotiable relocation package

Who We Are:

Euro Technik is a Western Australian award-winning workshop, who exclusively repair and service high end European vehicles. Whilst having a fun team culture, we focus on being the best in the industry. We are passionate about going all in to deliver the best results for our customers and last year we were awarded 2021 Automotive Repairer of the Year.

We currently have two high performing workshops with a third due to open next year. As the business continues to grow, we are looking for a Senior Technician to join our newly renovated Fremantle workshop. You will be a part of an energetic, close-knit team who continuously support each other to achieve their results.

By Joining Our Team:

- We will invest in you and your career through in house and external training
- Get personal mentoring and coaching to progress your career into a leadership role
- You will receive quarterly profit share bonuses and additional company incentives
- Work in a full equipped, modern workshop with the latest diagnostic equipment and access to all manufacturer information

As a Senior Technician, you:

- Have experience and a passion for European cars
- Strive to achieve the best results
- Are motivated and highly disciplined
- Can support developing team members and lead by example
- Can work on high value jobs independently
- Are wanting to continuously develop your skills through internal and external training

EUROTECHNIK.

- Think ahead and contribute innovative ideas towards business improvement initiatives
- Are wanting a long-term career and wanting to progress into a leadership position
- Enjoy being part of a team and actively contributes to the positive and fun team culture
- Has the ability to develop and maintain long lasting, trusting relationships both internally with the team and externally with customers
