

## EUROTECHNIK.

**Position Description:** Apprentice Automotive Technician

**Position Overview:**

In this role, you will work closely with our experienced automotive technicians to learn and develop the skills necessary to become a proficient automotive mechanic. As an apprentice, you will have the opportunity to gain hands-on experience, enhance your knowledge of automotive systems, and contribute to providing exceptional service to our customers.

**Responsibilities:**

- Learn and assist in performing routine maintenance tasks, including oil changes, tire rotations, filter replacements, and fluid checks.
- Observe and assist in diagnosing and repairing various automotive issues under the guidance of senior technicians.
- Help with the installation, repair, and replacement of automotive components, such as brakes, suspension systems, exhaust systems, and electrical systems.
- Participate in scheduled training programs to enhance knowledge of automotive systems, tools, and technologies.
- Maintain a clean and organized work area, ensuring all tools and equipment are properly handled and stored.
- Follow safety procedures and guidelines to minimize the risk of accidents or injuries in the workplace.
- Assist in conducting basic vehicle inspections to identify potential problems or areas requiring attention.
- Collaborate with team members to ensure efficient workflow and timely completion of tasks.
- Develop strong problem-solving and troubleshooting skills to diagnose complex automotive issues.

**Qualifications:**

- Enthusiasm and passion for the automotive industry.
- Strong mechanical aptitude and an eagerness to learn and develop automotive repair skills.
- Basic knowledge of automotive systems and components.
- Ability to work effectively in a team environment.
- Excellent attention to detail and the ability to follow instructions.
- Strong communication and interpersonal skills.
- Valid driver's license with a clean driving record
- Willingness to comply with safety regulations and guidelines.

**Benefits:**

- On-the-job training and mentorship from experienced automotive technicians working on luxury European vehicles.
- Opportunities for career advancement and skill development.
- Competitive compensation package.
- A supportive and collaborative work environment.

## EUROTECHNIK.

We are a unique team with a great culture and love a good sense of humour! We have worked hard to be a well-known, respected, European Vehicle specialist and we are looking for someone who is aligned with our core values and share our ethos of dedication to delivering outstanding customer service.

**We provide professional training and development opportunities to our valued staff members and are always looking forward to improving ourselves professionally and personally. We hope that each individual can fulfill their career goals and be the highest performer they can be.**
