

EUROTECHNIK

### **Senior Automotive Technician**

Subiaco, Perth WA

Full time

\$95,000 – \$110,000 per year + profit share

Join our award-winning European workshop. Strong company growth. Progression for all staff with quarterly incentives/bonuses.

- Further your career and enjoy regular inhouse and external technical training
- Earn a competitive salary with quarterly bonuses incentives.
- Opportunity to progress your career the way you want to

### **Who We Are:**

Euro Technik is a Western Australian award-winning automotive group, who exclusively repair and service high end European vehicles. Whilst having a fun team culture, we focus on being the best in the industry. We are passionate about going all in to deliver the best results for our customers and have recently been awarded the Automotive Excellence Award and Medium Business of the Year award from the Motor Trade Association of Western Australia as well as the 2025 winner of the Business & Professional Services from the Fremantle Chamber of Commerce.

We currently have three high performing workshops in the premium suburbs of Perth. As the business continues to grow, we are looking for a Senior Technician to join our high performing Subiaco workshop. You will be a part of an energetic, close-knit team who continuously support each other to achieve their results.

### **By Joining Our Team:**

- We will invest in you and your career through in house and external training.
- Get personal mentoring and coaching to progress your career.
- You will receive quarterly profit share bonuses and additional company incentives.
- Work in a full equipped, modern workshop with the latest diagnostic equipment and access to all manufacturer information

### **As a Senior Technician, you:**

- Have experience and a passion for European cars, BMW, Audi, Mercedes etc.
- High level of experience in mechanical and auto electrical
- Strive to achieve the best results.

EUROTECHNIK

- Are motivated and highly disciplined.
- Can support developing team members and lead by example.
- Can work on high value jobs independently.
- Are wanting to continuously develop your skills through internal and external training.
- Think ahead and contribute innovative ideas towards business improvement initiatives.
- Are wanting a long-term rewarding career
- Enjoy being part of a team and actively contributes to the positive and fun team culture.
- Has the ability to develop and maintain long lasting, trusting relationships both internally with the team and externally with customers

If this sounds like the position for you, then please apply now and upload your up-to-date cover letter and resume.
